WORLD ORAL HEALTH DAY CELEBRATIONS

The World Oral Health month celebration (March 20-April 20 2023) was conducted by the Sharavathi Dental College and Hospital, Shivamogga, Karnataka.

The staff of dental college along with members from the Department of Public Health Dentistry Dr. Meghashyam Bhat and Dr. Alwin Antony were involved in promoting oral health awareness. Awareness camps were conducted at primary health centers, rotary organizations mid-town Shivamogga for children with special needs and at various hotels exclusively catering to migrant workers who had problems in accessing dental care. As a part of this health care and awareness initiative, free dental check-up and treatment camps were conducted using state of the art-facilities such as the mobile dental clinic, portable dental chair equipment. Proper brushing techniques and health education was exclusively provided to these special groups.

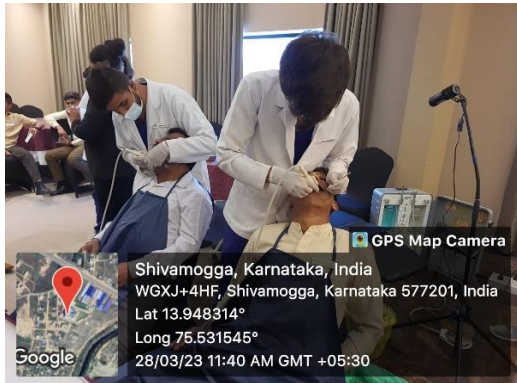

Our esteemed management, Honorable Principal Dr. Samrat and Hon. Vice Principal Dr. Shrinidhi MS have been magnanimous in providing a free dental week in the last week of April to all the people in and around Shivamogga district and to the rural needy.

This initiative is to bring better awareness on the modalities of treatment available at the dental college and to render yeoman services to the population in need.

CELEBRATION OF WORLD AIDS DAY 1-12-2022

Every year, on 1 December, the world commemorates World AIDS Day. People around the world unite to show support for people living with and affected by HIV and to remember those who lost their lives to AIDS.

An awareness program was conducted at Sharavathi Dental College and Hospital to educate the patients about HIV/AIDS. Pamphlets and red ribbons were distributed to the patients by the interns. Our honorable principal of Sharavathi Dental College, Dr. Samrat M.R., Vice Principal Dr. Shrinidhi M.S., head of the departments, staff and students were present

Dr. Usha C., Prof and Head, Department Oral Medicine and Radiology, spoke to the students and interns in depth about the oral manifestations seen in HIV/AIDS patients. The talk was arranged in the AV Hall

The program was well received and appreciated by everyone.
